Tracy Feng's practice includes representation of financial institutions and borrowers in both domestic and cross-border transactions. She has worked for a variety of clients on matters involving structured finance products, structured notes, derivatives, lending and other finance transactions. Tracy has experience with trade finance assets, energy, commodity, life settlement and carbon-related transactions. She has provided advice with respect to a number of structured finance and derivatives matters, including advice relating to the derivatives portfolio of a large insolvent financial institution.
