New York

California

Adam J. Engel concentrates his practice in real estate finance, development, acquisition and disposition matters. He assists both lenders and borrowers with the origination, structuring, restructuring and execution of a wide range of real estate financing transactions, including first lien and subordinate mortgage financing, construction financing, mezzanine financing, loan syndication and participation, preferred equity and joint venture transactions, and other secured and unsecured lending structures. Adam also represents clients in the resolution and restructure of distressed debt, including loan modifications, settlements, foreclosures and workouts.

Adam's clients include institutional banks, investment banks, life insurance and property and casualty insurance companies, and large institutional real estate funds, developers and investors.

Previously, Adam practiced with the Public Finance and Mergers and Acquisitions department in the New York office of an international law firm and the Hospitality department in the Florida office of an international law firm.

Advisories

- California Court of Appeal Strictly Enforces Carveout Guaranty (June 21, 2013)
- California Sets Schedule for Non-Residential Building Energy Disclosures (October 22, 2012)
