Practices

FOCUS: Government and Public Finance

Affordable Housing and Community Development

Capital Markets

Infrastructure and P3

Real Estate

Real Estate Finance and Lending

Structured Finance and Securitization

Michael Murphy helps institutional lenders close deals and provide loans for affordable housing developments and complete their exit strategy through the securitization of the loans. Michael also assists lenders, debtors and investors in wind down or restructuring measures to maximize their positions with respect to defaulted loans. Michael has practiced in this area of law for 40 years, and his deep understanding of the specific transactional, insolvency and tax issues faced by lenders, debtors and investors makes all the difference for his clients.

Education

JD, Fordham University School of Law

BA, Brown University

Bar Admissions

District of Columbia

New York

Closing public finance transactions for 40 years

Navigating public finance transactions takes considerable skill, knowledge and insight. Moreover, it takes an understanding of the specific, unique issues that can arise in these transactions. For 40 years, Michael has closed public finance deals related to affordable housing developments. He understands the challenges that can arise, and he understands how to manage transactions in a way that preserves relationships and protects his clients' interests.

Community Involvements

Bar Association of the District of Columbia

Florida Bar Association

National Association of Bond Lawyers

New York State Bar Association

Michael represents government-sponsored enterprises and other financial institutions that provide credit enhancement and liquidity facilities, banks, private equity funds, investment banks and owners of facilities financed with tax-exempt bonds, including 501(c)(3) charitable organizations.
