Claudia B. Duncan focuses her practice on commercial real estate transactions, representing lenders in loan originations, workouts, and note sale transactions secured by real estate assets, as well as representing sellers of real estate owned commercial properties across the country. Claudia has experience assisting clients in commercial real estate matters of all kinds, including financing, acquisitions, dispositions, leasing and development of a variety of asset classes, including office buildings, retail properties, hotels, industrial properties, multi-family and multi-use properties, and developments.
