Katten Adds Paul Rosen as Partner in London

(LONDON) Katten Muchin Rosenman UK LLP announced today that Paul Rosen has joined the firm's Corporate practice as a partner in its London office.

"Paul's arrival further demonstrates the careful and deliberate expansion of our Corporate offerings and our commitment to attract top talent in the London market," said Katten Chairman Roger P. Furey.

Mr Rosen focuses on a range of matters, including mergers and acquisitions, private equity, corporate finance, and capital markets. He also advises on asset management and funds, as well as regulatory issues and public takeovers. Previously at Clyde & Co LLP in London, Mr Rosen provides many years of experience working across the financial services, hospitality, alternative energy and infrastructure, transport, and retail sectors.

"Paul's experience across a wide variety of industries and sectors enables us to further expand our offering and operate at a higher level of quality from a smaller footprint—a key component of our strategic growth plan," said Peter Sugden, managing partner of Katten Muchin Rosenman UK LLP.

"Our clients also will benefit from his knowledge of leading complex cross-border transactions for international clients," Mr Sugden added.

Katten Muchin Rosenman UK LLP is the London affiliate of Katten Muchin Rosenman LLP, a full-service law firm with more than 600 attorneys in locations across the United States and in Asia. The London team has a broad range of expertise covering real estate, mergers and acquisitions, general corporate and commercial, joint ventures, financial services and regulatory, employment, tax, construction, finance, litigation, and asset management.

The firm's London lawyers coordinate regularly with colleagues in other offices located in centres of finance, including Chicago, Houston, Los Angeles, New York, Shanghai and Washington, DC. They offer skilled, integrated legal advice, and are particularly well-placed to service the needs of clients undertaking transatlantic business.
