Katten Muchin Rosenman LLP

STRUCTURED PRODUCTS

Our Clients

The attorneys in Katten's Structured Products practice counsel financial institutions, derivatives dealers, and hedge fund and other asset managers on structuring, negotiating and documenting a full range of exchange-traded and OTC derivatives, as well as investment fund notes and other products with embedded derivative components, including hedge fund-linked, hedge fund replicator, portable alpha and index-linked products.

Our Services

Proficient in both the exchange-traded and over-the-counter (OTC) markets, we counsel on a range of securities, commodities, insurance and banking law compliance and regulatory matters, as well as ERISA and domestic and cross-border tax issues.

Katten's Structured Products team helps clients achieve their business goals and minimize risk in the face of increasing regulation with ongoing advice concerning the trading, marketing and sales of OTC and exchange-
