Katten Muchin Rosenman LLP
is pleased to announce that

Prachi S. Gokhale

has been elected to partner in the
Structured Finance and Securitization
practice.

Prachi Gokhale joined Katten as an associate and has been a member of the Structured Finance and Securitization group for her entire career. During this time, Prachi has worked on every major program and with every major capital markets issuer that Katten represents. In particular, she has extensive experience with automobile loan and automobile lease securitizations, having represented both captive auto finance companies and leading independent auto loan originators. Her mortgage loan experience includes real estate mortgage investment conduit (REMIC) transactions and risk sharing trust structures pioneered by government-sponsored enterprises (GSEs). She has been a speaker at industry conferences and is recognized as a rising star in structured finance. Her elevation to partnership represents a significant addition to the leadership ranks of Katten's top-rated Structured Finance team. We are thrilled to welcome Prachi to the partnership and look forward to her continued contributions and successes.
